

## The Explorer Package:

“...the magic of a wild life documentary and the excitement of the zoo, bundled together and delivered to your classroom.”

Holding BS and MSW degrees, we offer age-appropriate, highly motivational and totally interactive reptile shows that truly bring the wonders of nature to life. Best of all, we come to you.

As a family owned and operated Georgia corporation, we have delivered fun & educational reptile adventures to hundreds of metro Atlanta families, schools, libraries, and camps since 2007.

Hassle-free convenience — we come to you.
